# Dove Advanced Care Roll-On

If you're the kind of person who likes to keep things simple, **Dove Original Roll-on Antiperspirant Deodorant** is for you. Just like that little black dress, it's a familiar favourite and always there when you need it most.

Dove Advanced Care Roll-on Antiperspirant Deodorant with a delicate scent, provides up to 48 hours of antiperspirant protection that helps to keep you feeling dry and fresh all day. And with our unique moisturizing cream, it helps to reduce the irritation that regular underarm shaving can cause.

## Dove Advanced Care Even Tone Roll-On

50mL | SRP: \$3.97

- Provides an even tone during application
- Gives up to 48 hours of antiperspirant protection
- Helps prevent irritation due to shaving
- Delicate floral & fruity scent helps to keep you feeling clean
- Glides on easily
- Moisturizes to give superior underarm care
- Contains moisturizing cream for beautifully soft and smooth underarms
